The Lagos State Directorate of National Orientation Agency (NOA), wish to acknowledge the receipt of your request on the afore-mentioned, and convey its heartfelt appreciation for re-awakening the giant in our youth for National cohesion and development.

The key tenets of Patriotism, Discipline, Integrity, Dignity of labour, Social justice and Self-reliance as displayed in PASSPORT OF THE NIGERIAN CHILD, is in tandem with the Core Values for national development as stated in Chapter 2 Section 23, of the Nigeria 1999 Constitution (as amended) and a major aspect of the Agency's mandate.

This is to further encourage the laudable virtues inherent in the "passport" and strengthen a strong, united and patriotic Nigerian spirit for nation building.

Please note that this recommendation is however, without any financial commitment from the State Directorate of the Agency.
